

Advertising & Media

Augmented Reality Solution

Engagement, Storytelling, and Brand Building on a New Scale

Who we are

PointZero Immersive Lab builds practical AR, VR, and spatial solutions helping organizations train teams, visualize complex systems, and engage audiences through high-quality Immersive technology.

Our identity

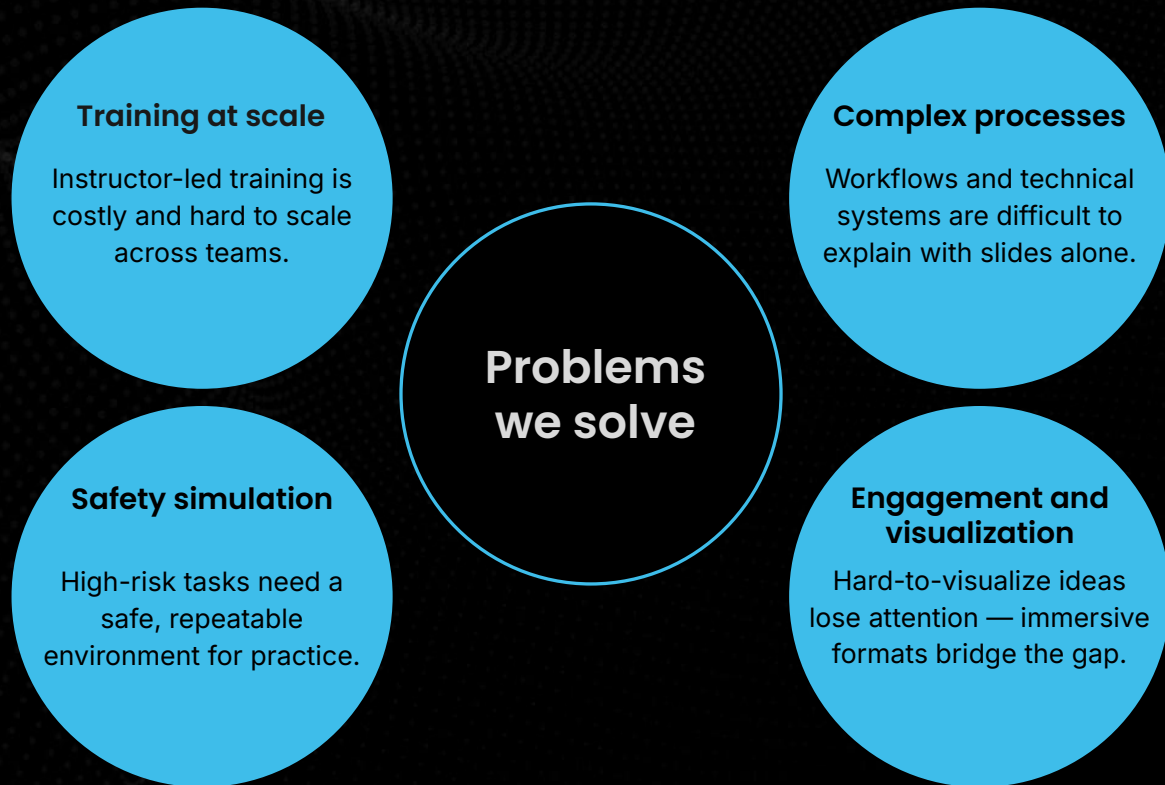

We design experiences
that
solve real problems

Technology and creativity
working in tandem

Deep industry
understanding

Execution that delivers
operational value

Organizations face complex communication, training, and engagement challenges that traditional formats can't solve

AR in Advertising & Media

Key Use Cases

AR-Powered Print & Outdoor Ads

Bring static media to life with interactive video, 3D models, and calls-to-action directly from the page or billboard.

Virtual "Try Before You Buy" Experiences

Customers visualize products like furniture, makeup, or apparel in their own space, boosting conversion rates.

Interactive Product Packaging

Transform packaging into a digital discovery channel with games, tutorials, and brand stories that engage consumers post-purchase.

Our AR Solutions

WebAR & App-Based Activations

Frictionless AR experiences that run directly in a web browser or through a custom brand app

High-Fidelity 3D Product Modeling

Photorealistic models that customers can place, rotate, and examine in their environment

AR Campaign Analytics Dashboard

Track engagement, interaction rates, and conversions to measure real-world ROI

Industries we serve

Immersive solutions across sectors

Manufacturing

Simulate assembly lines and train operators in virtual environments

Automotive

Virtual showrooms and immersive design review experiences

Aviation & Aerospace

High-fidelity simulation for crew training and mission rehearsal

Healthcare

Surgical simulations and patient education in immersive 3D

EduTech

Interactive learning experiences that improve knowledge retention

Oil & Gas

Safe hazard simulations and remote inspection in virtual space

Real Estate

Virtual property walkthroughs before construction begins

Infrastructure

Digital twin visualisation for planning and stakeholder review

Training & Safety

Risk-free scenario-based training across all critical environments

Why immersive works

76%

increase
in learning effectiveness

4x

faster
employee training vs. classroom

600%

ROI
for VR training in industrial settings

75%

retention
in VR vs. 10% in lectures

43%

reduction
in workplace injury risk

52%

lower cost
than classroom training at scale

Outcomes Point Zero clients achieve across training, safety, and workforce development programs.

Why PointZero

Built for execution, designed for real environments

Practical solutions

Immersive tools built to work in real-world conditions, not just demos.

Production quality

High standards at every stage, from concept through to final delivery.

Industry focus

Deep sector knowledge shapes how we design and deploy every solution.

Reliable delivery

Consistent execution on time, with clear milestones and accountability.

Scalable solutions

Designed to grow with your needs, from pilot projects to full deployments.

Technical depth

Strong in-house capability across XR, spatial computing, and real-time rendering.

Book a discovery call

30 minutes to scope your first immersive project
